## ✦ QUEEN DEYNA EDUCATION & SPORTS PROGRAM PRESENTED BY NIKE

I wouldn't be who I am today without the education I received at Florida State. It opened the door to opportunities I didn't even know existed, changed me, and equipped me with the intellectual capacity to face my professional career with a strong mindset. There's nothing I want more than to see the new generation of young girls to have similar life-changing experiences and I am committed to helping them find their way.

***"Deyna Castellanos - 2020"***

**Goal:** Positively impact the lives of 20 young woman athletes around the world to support the advancement of their academic and athletic careers.
